

Faye Lafferty Invitational Development Gala 2011

For the second year in a row, Fleetwood Swimming Club was invited by Everton Swimming Club to enter a development squad in a Gala which is held every year in memory of one of their swimmers Faye Lafferty, who sadly passed away after illness.

We picked a team of swimmers who have yet to establish themselves in the Micro-League team, alongside more experienced swimmers who were entered into events which they did not favour and rarely get to swim competitively.

The event was extremely enjoyable for all involved and it was a real pleasure to compete at the ultra-modern Liverpool Aquatics centre at Wavertree. Out of a strong field of 6 teams and a close battle with the very strong Bootle Swimming Club, we managed a fantastic win.

Pictured above are Lucy Oldman and Georgina Roney, just two of the 31 swimmers who took part, with the winning trophy.

Many Thanks to all the coaches, parents and of course swimmers who have once again done the club proud in an event which we hope we can take part in for many years to come.
